

Adjustable & Configurable Pulls

AP300 Series Adjustable & Configurable Pulls

[MFG WEBSITE](#)

(formerly 1185 Series) are uniquely designed to make the world healthier, while being durable, flexible, and highly customizable.

Notes:
 * For J mounting option, specify Riv-Nut for metal doors or bushings for wood doors if required.
 ** Glass Door Mounting options for 3/8" & 1/2" door thicknesses require a W-Mount hardware kit.
 Mid post is recommended for OA's at or greater than 72".
 Standard CTC is OA less 6".
 Can be ordered with standoffs installed (S) or loose (L).
 AP323 & AP324 are all aluminum pulls with no endcaps

Ultimate Restroom Pulls

[MFG WEBSITE](#)

Trimco's 1035 and 1835 Ultimate Restroom Pulls are manufactured in North America by master craftsmen from stainless steel, bronze or brass. The ULTIMATE Restroom Pull utilizes the ADA compliant 1135 hospital grip and is combined with a .05" or 1/8" Push Plate. The pull has a special design that allows the user to pull the door open using their arm without

Pull Plates

having to "grip" the pull. The Ultimate Restroom Pulls are made with Healthy Hardware® – Bactericidal Copper and are also available in standard finishes.
